SUNDAY JANUARY 22, 2012

RACE FORMAT

The finals of the So Cal Prestige Series (all racers welcome, series is based in So Cal, not limited to riders from that region!) AND a region take all one day cross race Sunday...Nor Cal vs. So Cal...bring your strong, your masses and race for the title. The region with the most points from ALL adult races takes home the state championship 6' foot tall trophy, bragging rights and the title. Points will be taken on the top 50 riders in each field. An equal # of entries per field will be given to each region. In addition, this year we are awarding INDIVIDUAL STATE TITLES AND JERSEYS to each winner in each category! Points for the overall will be tabulated throughout the day. Last year, Nor Cal had some big guns, but lacked the masses....So Cal had the numbers...the word on the street is So Cal better look out this year!!

COURSE

A classic European style course. Fast, with a long paved start. Check out the "Team Lobster Launch Pad" fly over! Average lap time is 8-10 minutes. There are "run up" sections, road sections and the rest is dirt and grass. We have added some new elements; this is one of the most demanding courses of the season. The course is very fast, very wide and very fun. There is a double pit. The course will be set up by 2pm Friday January 20th. if you wish to pre-ride and practice. Watch the forecast. All races held rain or shine and plan travel accordingly!! Same course both days, run in opposite direction Sunday.
